

APPENDIX III
Chronology
CCIDD PROGRAMS THRU 1977- 2007
Cuernavaca, MX

This APPENDIX lists cronologically the visiting groups or regular programs provided to incoming groups with name of group, location and number of participants for each year. It also lists some special programs offered in specific occasions.

Unfortunatley, this list has been painstakingly reconstructed from our old and incomplete files and thus does not reflect the full number of groups or participants but it does provide a view of the variety of people enriched by the CCIDD experience.
